

WHAT SERVICES DO YOU NEED?

Ascela accounts for every need—optimizing efficiencies and ensuring compliance—so you can focus on your core business.

Benefits Administration

Assistance with day-to-day administration, including managing life events and claims assistance.

Benefits Administration Technology

Leading technology platforms to empower employees in the decision-making process that can easily integrate with current payroll systems.

Onboarding Technology

Technologies to automate required tasks, from the moment a candidate accepts the position, to ensure a compliant and productive onboarding process.

Human Resources Compliance

An HR evaluation to ensure employers have the maximum efficiencies in place and are compliant from the point of hire to separation.

ThinkHR

An integrated suite of HR knowledge, compliance tools and training solutions—24/7 hotline and reference center, providing advice, tools and training to keep employers compliant as they grow.

Employee Advocacy Support Line

Assistance to support employees with healthcare questions and issues, improving productivity and reducing exposure to privacy-related tasks.

Personalized Benefits Support

Access to healthcare services that help resolve billing and claims questions and find and coordinate care with providers and health insurance plans.

Tele/Video Medical Care

Top partners to provide employees and their dependents with 24/7 access to board-certified doctors by phone or online video. Within an hour, an employee can chat with a doctor who can treat them and write a prescription.

ACA Compliance Support

Compliance support, ACA updates and Play or Pay testing to help employers stay current on healthcare reform changes and requirements.

COBRA Administration

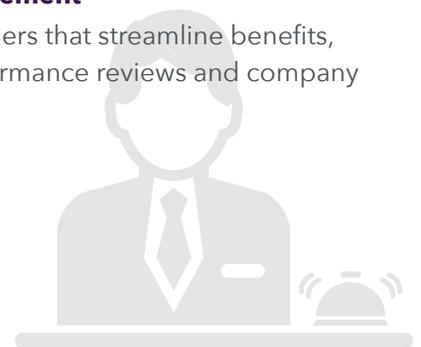

A selected vendor to maintain COBRA compliance by managing the administration, documentation and reporting requirements for employers. This includes: issuing COBRA notices, collecting payment and managing enrollments and terminations.

Professional Employer Organizations (PEOs)

Access and assistance with managing payroll, human resources, benefits and other employer-related administrative functions.

Human Capital Management

Top vetted payroll partners that streamline benefits, onboarding, PTO, performance reviews and company communications.
